

Barbieri

Excellence Award

An annual series of awards recognizing outstanding performers in intelligent color measurement technology for excellence in professional digital printing

Barbieri Excellence Award

The BARBIERI EXCELLENCE AWARD honors organizations selected as the industry's best across 3 categories: Business performance, Innovation and Research, Advocacy and Trust.

The main criterion for selection is demonstrated excellence of outstanding performers using color measurement for top performance in professional digital printing; customer experience, operational business results, digital print integration and customer advocacy are further elements that are taken into consideration.

Submissions open:

6. February, 2023

Submissions closing:

3. March, 2023, 24:00 CET

Winner announcement:

April 4, 2023

The winners are announced directly on the website: www.barbierielectronic.com/award and on Barbieri social media channels and Newsletter.

WHO CAN BE NOMINATED?

BARBIERI customers, partners and organizations within the extended BARBIERI ecosystem (i.e. universities, research organisations) worldwide.

Nominations may be made either by the organization itself, or by third parties or persons who believe that a particular firm or organization is a deserving recipient of the BARBIERI EXCELLENCE AWARD due to its performance in digital printing. All nominees will be taken into consideration.

WHO CAN NOMINATE?

BARBIERI customers or partners, any employee of a BARBIERI customer or partner, any member of an organization within the extended BARBIERI ecosystem, and all the BARBIERI users.

HOW TO NOMINATE?

We have made it easy!

Go to: www.barbierielectronic.com/award then fill out the form "Nominate Now!" and tell us who you would like to nominate as the best candidate for the BARBIERI Excellence Award or alternatively send us an email to excellence@barbierielectronic.com
